

Dear Families,

Will you join us and help keep all children safe online?

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they are offering useful tools, support and guidance to help parents and carers have conversations with their children about their online lives.

Online safety workshops for parents

As part of this, NSPCC/O2 are running free online safety workshops for parents and carers and will be hosting one at **Drummond Community High School (Community Lounge) at 9:30am on Friday 9th June**. We would like to invite you all to join us on the day.

The hour-long workshop will help you understand your child's online world and build confidence to have those important conversations that can help keep children safe online.

With the summer holidays fast approaching, this is an opportunity not to be missed. Please RSVP by replying to Keith.Martin@abbeyhill.edin.sch.uk by Friday 26th May.

Until then, if you need any support or guidance, check out these web pages (<https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/online-safety/>) and step-by-step guides online (<http://www.o2.co.uk/help/nspcc>) or call the **O2 and NSPCC Online Safety Helpline** on **0808 800 5002**. You can also pop into your local O2 store for help from a Guru.

Many thanks,

David Borthwick

Principal Teacher
