June Newsletter

Nursery

We are planning our special Nursery transition assembly on Tuesday 26th June to celebrate the pre-schoolers time at nursery and to wish them well as they take the next step on their learning journey. They are also looking forward to the end of term picnic on **Thursday 28th June**. We would like to wish them all good luck for P1.

Primary 7

P7 pupils will be attending their high schools transition days this week and we are sure they will all have a very positive experience. Earlier this term we were entertained with the P7 show "Memories", all pupils performed with confidence and clearly all enjoyed the performance as did the audience. We look forward to celebrating with them at their end of term barbeque on **Thursday 28th June 6.30**

-8.00pm. This year we are holding our special event on Botanical Broughton – we therefore would ask the P7 pupils if they could bring along a picnic blanket so that they can sit on the grassy area. We would like to wish all our P7s well as we say farewell to them on **Friday 29th June**. Feel free to join us in the back playground just before 12.00pm.

PSA

A huge thank you to the PSA who organised a brilliant Summer Fair and thank you to those of you who managed to come along and support. The final figure of money raised was £2312. Another amazing amount of sponsorship money raised by the parents, staff and pupil teams at the Edinburgh Marathon is approx. £3000. May I take this opportunity to say thank you on behalf of the whole school community. What a great community day both events were!

Staffing

We are saying farewell to Miss Shannon Cunningham and Ms Emma Notarangelo who will be leaving us to take up permanent posts in August. We also must say farewell to Ms Suzanne Reid and Ms Lynn Rusk. Mrs Laura Murray and Mrs Melanie Bertram will also be going on maternity leave. We wish them all good luck! Congratulations to Ms Milligan who after many years at Broughton Nursery Class has finally decided to put her feet up and retire!

We will be welcoming a number of new teachers next session, including a newly qualified teacher, Ms Ruth Duck. The recruitment of staff will be taking place between now and the end of the summer break. For this reason there are a number of classes who will not know their class teacher until they return in August. Unfortunately this could not be avoided due to CEC recruitment processes. In order to support such a large number of new teachers to the school I have decided to place an experienced member of staff at each stage in the school.

will start to take place. This includes Please find below class organisation, class teachers and rooms for your child's class next year:

School Refurbishment

Over the summer break the planned school refurbishment essential upgrade work both in school, the playground, the nursery and boiler houses. The work will continue into most of next session. This will involve a lot of planning and organising by the Senior Leadership Team in order to ensure there is no disruption to learning and teaching. It will be worth it when it is all finished and the children have a new learning environment to work in.

Holiday reminder

The summer term ends on **Friday 29th June at 12 noon for all school pupils.**

The new term begins on:

- **Monday 15th August** for pupils
- New P1 pupils and new Nursery pupils will have details of their own individual start dates

May I take this opportunity to wish all families, pupils and staff a very relaxing holiday break and thank you to everyone for your continued hard work and support.

Kind Regards
Samantha Rushforth
Acting Head Teacher
