### Class Talk

To round up our topic on Parks we would like you to support your child in preparing a talk entitled 'My Favourite Park'.

The talk should last only a couple of minutes and should include:

- The name of the park
- What your child likes about the park
- Their favourite thing to do at the park
- What would make the park a better place for people and wildlife
- A detailed drawing of the park showing the things your child is talking about.

We are looking for:

- Speak in a loud, clear voice
- Look at the audience
- Learn some or all of it

Please take some time to help your child practise giving their talk in front of someone at home.
