## Frosty the Snowman

Frosty the snowman  
Was a jolly happy soul  
With a corncob pipe  
And a button nose and  
Two eyes made out of coal

Frosty the snowman  
Is a fairy tale they say  
He was made of snow  
But the children know  
How he came to life one day

There must have been some magic  
In that old silk hat they found  
For when they placed it on his head  
He began to dance around

Frosty the snowman  
Was alive as he could be  
And the children say  
He could laugh and play  
Just the same as you and me
